

It's a **SCOOBY DOO** It Yourself **CARD!**

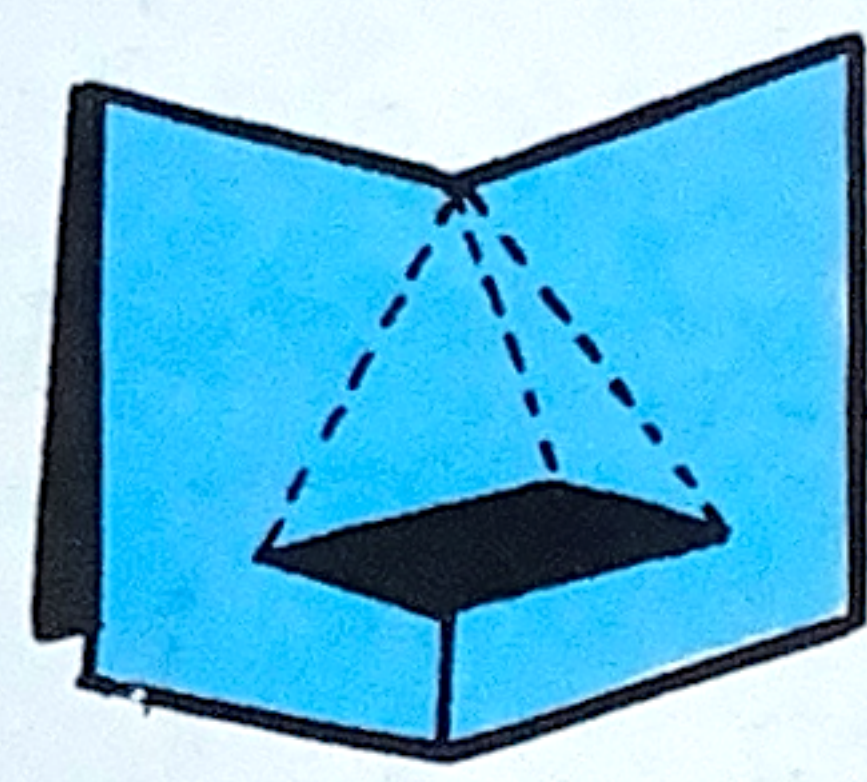

Cut out this page and bend along the dotted centre lines

Now unfold, lay flat and make a thin slit between the heavy line at bottom of tree.

Fold the back down and then bend downwards. Score dotted lines at sides of tree. Pull the dotted line in centre of tree forward.

Now close card and tree will tuck upwards inside

And when you and your friends open it, you'll have a **SUPER 3D XMAS CARD** to stand wherever you like.
